

MATERIAL SUPPLY GUIDELINES

Important Information: The following formats are what Atalink Ltd will accept as workable file formats. Any deviation from these specifications may incur additional artwork charges if changes need to be made and Atalink Ltd cannot accept liability for the quality of reproduction if material is not supplied correctly.

Copyright: We believe in protecting the rights of copyright holders. When supplying logos and text, it is the supplier's responsibility to check all copyright details and Atalink Ltd will presume that all material is checked and publishing rights are in place.

WEB PROFILES

1. Company Profile (max 600 words)
